**March 25, 2023**

**6 to 9 PM at FTCC,

This very special event will feature delicious gourmet desserts, specialty coffees and teas, and music. There will be gift baskets to purchase, and an exciting Silent Auction! A presentation by Sunflower of Peace, a non-profit organization helping those affected by the year-long war in Ukraine, will highlight the evening.

All funds raised will be used to purchase medical backpacks – special kits filled with supplies, first-aid kits, medications, and equipment for paramedics and physicians on the front lines. Each backpack costs \$1,000. Please help us reach our goal to send 12 medical backpacks to Ukraine.

Visit [www.ftccscituate.org](http://www.ftccscituate.org) to purchase tickets at \$50 each. If you cannot join us but still want to show your support, donations in any amount can also be made at this website.
